MISSION-MINDED FAMILIES

Saying "YES!" to Jesus and God's Great Commission

Coordinating Book for Families – by Jon & Ann Dunagan
480 pages – Available on Amazon

God's mission is for your family to expand His family.

In a mission-minded family, there's a God-infused energy. There's a focus on God's worldwide purpose and there's a passion for the lost. There's a spiritual depth and hunger that reaches beyond the maintenance mode of cultural Christianity. A mission-minded family emphasizes leadership, calling and destiny. There's a prevailing attitude of self-sacrifice, an emphasis on total submission to God's will, and an unmistakable and contagious joy.

In this updated two-in-one resource (combining *The Mission-Minded Child* and *The Mission-Minded Family*), parents will be encouraged to seek God's potential for their family, and to raise each child to fulfill God's specific mission.

PART 1:
**Discovering the "Why" of world missions,
while making disciples at home**

PART 2:
**Balancing the "How" of world missions,
while prioritizing your family**

This special edition includes: practical teaching ideas, stories, poems, hymns and excerpts, mini-mission biographies, international holiday ideas, tips for travel and ministry with children, and helpful encouragement from decades of global experience.

David Livingstone once said, "This generation can only reach this generation." The Dunagans ask, "Will we raise our children to effectively reach their generation for Jesus Christ?"
